

Dear Committee,

I am a resident of Connecticut and wish to voice my opposition for Bill 6355. Your opposition for this bill is important to me. There are already laws on the books that can protect people instead of this bill changing the existing law into something which I see being too easy to abuse.

I also want to voice my support for Bill 6491. This makes lots of sense to me. Some people may not feel comfortable using a gun for self-defense. Why not give them another option?

THANK YOU
